The Esri Eastern Africa Education GIS Conference is a 2-day conference that brings together an array of GIS Users in the Education industry from across the Eastern Africa region. The conference brings together youthful minds in the GIS industry in the region to make presentations, attend workshops and network. The purpose of the sessions is to help prepare the next generation workforce with GIS skills for better decision-making across a broad spectrum of disciplines and professions.

Egibility

- Students
- Faculty staff
- Campus Administrators
- Developers
- Education Industry stakeholders
