

### THIRD WEEK; ONLINE EXAMS FOR UNDERGRADUATE PROGRESSING WELL

Today the department of LARMAT conducted two exams online for undergraduate students with 98% attendance and successful exams answer sheet turned in. These were fourth and third year BSC in Management of Agroecosystems and Environment under taking Recycling and Bio-conversion of Organic Waste and Environmental planning and Management respectively. It was noted as recommendable progress since inception of second semester exams 2019- 2020 amid Corona virus pandemic. We wish you good luck as purpose to complete your final semester(s) on your current study level in style.
