

CALL FOR GRANTS: INNOVATIVE ECOLOGICAL RESEARCH IN AFRICA

We recognize that ecologists in Africa face unique challenges in carrying out research; our grant is designed to support you to develop your skills, experience and knowledge base as well as making connections with ecologists in the developed world. We support excellent ecological science in Africa by funding services and equipment. This grant provides support of up to £ 8000 for ecologists in Africa to carry out innovative ecological research. For more details click [here](#).

Deadline: 17:00 (BST) Monday 7 September 2020
