

## PHD STUDENT SUCCESSFULLY DEFENDED HER RESEARCH PROPOSAL

### Ms Joyce Aguk Virtually defending her PhD proposal

On **10<sup>th</sup> September 2020**, A PhD student, **Joyce Aguk** in the department of LARMAT defended her research proposal to the Faculty of Agriculture Board of Examiners chaired by Prof. James Muthomi. She is undertaking PhD in Soil science under Supervision of Prof. Richard Onwonga and Prof. George Chemining'wa.

**Ms Aguk** will effects corrections raised by the panel, submit updated copy of the proposal to the University of Nairobi graduate school and will be given leeway to embark on her actual PhD Research toward her Doctoral degree in Soil Science. We wish her well in her academic research, which revolves around *Zea mays* and pulses integration.
