

## REGISTER FOR GLOBAL FORUM FOR FOOD AND AGRICULTURE (GFFA)

Join us for the first virtual GFFA!

Among topics to be discussed will be;

1. Building Forward Better – for ONE Climate-Resilient and Healthy WORLD without Hunger.
2. COVID-19: Lessons for resilience building along agricultural value chains.
3. CFS: Water and Climate Recommendations to Feed the World.

At the GFFA, around 2,000 international participants from politics, industry, science and civil society discuss will agri-food policy issues.

- From **Monday, 18 January, 2021** you can watch the GFFA live stream.
- No registration is necessary to watch.
- If you want to join in the discussion and vote, simply register [here](#) free of charge.
- Have a look at our [programme](#).
