

AGRICULTURE STRAIGHT TALK: NAIVASHA GIRLS AND FACULTY OF AGRICULTURE MEMBERS, UON

VIRTUAL: GOOGLE MEET

DATE: 26th FEBRUARY 2021

Led by the Dean FOA, **Prof. Moses Nyangito**, students of Naivasha Girls Secondary School interacted with FoA Professors and Doctors, University of Nairobi. The virtual interaction and mentorship was conducted on 26th February 2021. They discussed the importance of Agriculture and environmental science in food security and the associated opportunities related to these fields. These are graduates to enroll in various Universities in coming years and require carrier mentorship for future decision making in the Agricultural and environmental Sciences. From Faculty of Agriculture, **Dr. Oscar Koech**, **Dr. Judith MBau** Represented Department of Land Resource Management and Agricultural Technology (LARMAT), **Prof. Jane Ambuko** represented Department of Plant Science and Crop Protection (PSCP) and The Dean FOA and FOA registrar **Ms Joan Gichuru** represented Faculty of Agriculture amongst other participants from CAVS.
