Mr. Julius Mbatia on 28th October, 2021 was a panelist in the [Nation Leadership forum](#) on COP 26 on “*Road to Glasgows- Together for our planet*” HE is an Environmentalist young climate Policy and advocacy expert and former Alumni (2017) in BSC Management of Agro Ecosystems and Environment in LARMAT.

In his thrilling discussion, **Julius Mbatia** reiterated, “We have the opportunity to make climate change a political affair by understanding that Kenya's largest voter block are young people”

Congratulation Julius on pioneering the Road to Glasgow and LARMAT- UoN Ambassador
