

UON- KIBWEZI FIELD STATION HOSTS SDA CHURCH GROUP

The serene ambience within University of Nairobi, Kibwezi Dryland farm coupled with the availability of accommodation and catering facilities form an outstanding attraction to potential clients seeking for hospitality services such as conference and camping sites. In the Month of October, 2021 the Station hosted **350 leaders** of the Seventh Adventist Church for a three-day training/seminar between **28th and 31st October 2021**. During such occasions, the University of Nairobi contributes to the society through offering these services as income generating revenue.
