

**Department of LARMAT presents over 30 abstracts in Agro conference 2023 held on 25-26<sup>th</sup> October 2023 at the University of Nairobi, Faculty of Agriculture**

Successful Agro conference 2023 held on **25-26<sup>th</sup> October 2023** at the University of Nairobi, Faculty of Agriculture. It was a great moment for the Department of LARMAT to present over 30 abstracts, with an award winning Poster presentation by PhD Candidate in **Range Management Ms. Margeret Nyaga** in LARMAT. The conference brought out a learning opportunity through discussion with experts, scientists, practitioners on matters of food security, food safety and Sustainable food systems. The deliberations agreed that there is much need for partnerships and synergy with all stakeholders to achieve Food and Nutritional Security in Africa. LARMAT as a department has been in the forefront in contributing to dryland production systems that are much affected by climate change impacts. The 2023 Agro conference was led by the faculty Agro-conference committee under the **Chairmanship of Dr. Oscar Koech from LARMAT.**
